

ENGAGE. DISCOVER. PLAY. LEARN!

SUMMER 2026!

Our day camps, taught by certified teachers, are designed to expose and engage kids to the diverse and exciting fields of Science, Technology, Engineering, Art, and Mathematics.

Our camp experience opens children's eyes to a world of adventure and discovery as they partake in one of the most active, innovative, and fun programs in the area. Allow your child's summer to come alive with hands-on activities, experiments, team challenges, and educational experiences that will keep them excited and engaged about learning!
