

AFTER SCHOOL ENRICHMENT

FAQ

-What will the program include? *Parents can expect their children to engage in fun and educational activities focused on science, technology, engineering, art, and mathematics (STEAM) in the after-school enrichment club. The program typically offers hands-on projects, creative problem-solving, and opportunities to explore various concepts in these fields. Kids will work both individually and in groups, enhancing their critical thinking, teamwork, and creativity. The enrichment classes aim to make learning enjoyable while fostering a deeper interest in the fields of STEM.*

-Can I enroll in more than one session? *Absolutely! The classes vary month to month with an exciting new adventure to discover each week!*

-Am I able to visit the facility before the class? *Absolutely! I'd love for your child to have the opportunity to explore the learning space! If you'd like to schedule a tour of the facility, please [click here](#).*

-Is early drop-off allowed? *To adequately prepare and disinfect between the school day and start of sessions, the doors open 5 minutes prior to each class (3:55pm). If for any reason you need to drop off sooner due to an abrupt schedule change, please contact me so arrangements can be made.*

-Do I need to bring anything? *All activity supplies are provided! In the event a personal supplemental device is needed (Ipad, tablet, etc, parents will be notified in advance.)*

-Do I need to bring snacks? *We do recognize some students are coming directly from school, possibly without the opportunity to have an after-school snack. Therefore, students are allowed to bring a labeled water bottle (with a spill-proof flip lid) and/or a light snack to enjoy within the first 15 minutes of class.*

-Are parents required to stay during the class? *After school classes are a drop-off enrichment program. Parents are free during this time!*

-Are parents allowed inside the building? *At this time, we are still using safety precautions to protect our students and families. There is very limited seating in the waiting room, and seats are first come first serve*

-Can my child attend a different class if they are absent? *Unfortunately, due to the consistency of the roster, along with prepared materials, if for any reason they are absent, refunds or makeup classes are not permitted.*

-What if I have more questions? *Please do not hesitate to reach out! You may call or send a text to 832-409-4155, or email us at brightmindssteam@gmail.com*
